Dear Committee,

I am writing in support of the College of Charleston's application for a FOREVER stamp in 2020 commemorating the 250th Anniversary of that institution.

The College of Charleston is one of the oldest continuously operating public universities in the United States, and is reputed to be the oldest municipal college in the country. That distinction alone makes it worthy of commemorating the 250th Anniversary with a FOREVER stamp. Knowing that six of its founders were also founding fathers of this nation, including signers of the Declaration of Independence and the United States Constitution, only adds weight to the argument for such recognition.

As a College of Charleston Alumnus, and the parent of a current C of C student, I would purchase 1000+ stamps for use on holiday cards, graduation announcements, wedding invitations, and all other forms of personal mail. I am sure that I am not alone among our alumni who would support this venture for both private and business use.

Thank you for your consideration of the College of Charleston commemorative stamp.

Sincerely,

Roberta D Whisman
C of C Class of '91 & '95
