Dear Committee,

I am writing in support of the College of Charleston's application for a FOREVER stamp in 2020 commemorating the College of Charleston's 250th anniversary.

Obviously, this stamp would recognize and help celebrate a historic milestone for the College of Charleston. In 2020, the College will be one of only a handful of colleges in the entire United States to celebrate 250 years of existence. Some of the founders of the College of Charleston are also the founding fathers of our nation, including some who went on to sign the Declaration of Independence (Thomas Heyward, Arthur Middleton, and Edward Rutledge) as well as the United States Constitution (Charles Cotesworth Pinckney, Charles Pinckney, and John Rutledge). This rare and historic accomplishment should be celebrated and recognized.

Proud alumni of the College of Charleston such as myself will gladly purchase these stamps. My wife and I plan to buy 10,000 stamps for use on holiday cards, personal mail, wedding invitations, graduation invitations, and the like. My law firm plans to buy 15,000 of the stamps for business mailings.

Thank you for consideration of the College of Charleston commemorative stamp.
